This is a case of dispensing charity outside
the rules. Such cases should be as few as possible

In Government Proceedings No. 11379-80/

X P. 798 dated 8th January 1902, an extraordinary pension of Rs. 4/8 per mensem was sanctioned for a period of twelve years to one Narasimha, the only surviving son of Gundappa, late Police Sergeant of the Bangalore City, who died on the 22nd October 1898 of Plague caught while in the execution of duty.

15

15. The period of twelve years having expired by the 23rd October 1910, Narasimha prayed that the pension may be continued to him for life on the ground that he was blind of both eyes and had no other means of maintenance.

2

y This request was further considered (Vide S & A file No. 155 of 1910) and in Government Proceedings No. Fl. 2228-9 dated 7th^x November 1910, the period of twelve years originally fixed in the order of January 1902 was extended by another three years..

16

16. The three years' extension then granted expired by the 23rd October 1913 and Narasimha has in the meanwhile approached Government once again with the prayer that the pension may be continued to him for life.

17. The Deputy Commissioner of Bangalore, who was requested to ascertain and report the circumstances in life of Narasimha, states that, from enquiry instituted by the City Chief Inspector, it is ascertained that Narasimha is in destitute circumstances, that he is blind and that the pension he is now getting is his only means of living, He is reported to be about 24 years of age.

dispensing charity outside the Rules, that such cases should be as few as possible and that it would be well if the grant of a regular pension can be avoided by transferring the maintenance of the poor man to one of the regular Muzrai charities.

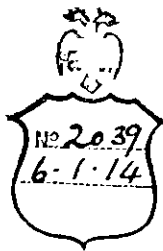

19. I submit the papers for His Highness' orders.

In view of the fact that the recipient is blind and possesses no other property of his own and depends solely on the pension which he is enjoying for the past 15 years, the case seems to call for a merciful consideration and the pension may in the circumstances be continued for a further period of three years. In the meanwhile, enquiries may be made in the Muzrai Department as to the possibility of providing the man a means of livelihood through one of the regular Muzrai Charities.

S U B M I T T E D.

This morning I saw Narasimha, the eldest son of late. Police Sergeant Gundappa who is residing in Ankanna's Lane in the limits of Kengeri Gate Station. He is about 24 years old. He has no house of his own nor has he got any other property to maintain himself. He has no relatives nor friends to support him, besides he is a blind man. He is living hand to mouth by the pension he is getting now. He cannot eke out his livelihood by any other means as he is a blind man. If the pension that he is now getting is stopped I think he will have to starve for want of food. Respectable people who are living in that vicinity have given a detailed Mahazar to the above fact. The same has been submitted herewith for kind perusal. I think this man deserves every encouragement and support.
